Honorable Richard W. Riley
Governor of South Carolina
Columbia, South Carolina 29201

Dear Governor Riley:

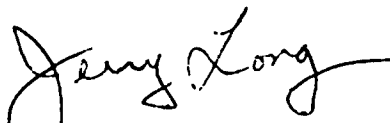

I enjoyed our phone visit last week and only wish that it could have been prompted by something other than a disaster involving our friends in South Carolina.

I have been reading in the papers about how help has come from all over the Country. It truly gives me a good feeling to know that people will follow the good neighbor policy and extend a helping hand when a disaster such as this befalls their neighbors.

I was also pleased to learn that you too have a summer home on Kiawah Island and after checking my calendar, I would again like to extend an invitation to you and your family to stop by for dinner and a visit. Our vacation weeks on Kiawah are June 2 - 8 and July 7 - 13.

Please check your schedule and let me hear from you. My wife, Marieanne and I would enjoy meeting your family and having you visit with us.

Sincerely,

G. H. Long
