Dear Joseph:

I am running for re-election to the South Carolina House of Representatives and I need your help.

For the past four years I have been a leading advocate of economic development and pro-business policies in the South Carolina General Assembly. I know that by creating an environment free of burdensome governmental regulations and excessive taxes- we can create new and better jobs for our citizens.

This past week I filed for re-election to House District 42 in Union County. Since being elected the first Republican in Union County, I have risen quickly in the ranks of the South Carolina House where I serve as the Assistant Majority Leader and Second Vice-Chairman to the Judiciary Committee. I want to continue serving the citizens of House District 42 and continue to be your ambassador of economic development in the House.

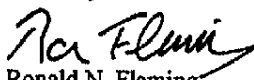

That is why I am asking you for a \$1,000.00 contribution for my re-election campaign.

Your contribution of \$1,000.00 will enable me to defeat one of two liberal Democrats who have filed to run against me, help the Republican Party maintain a majority in the South Carolina House of Representatives, and keep a pro-business advocate on the House Judiciary Committee.

As always, I look forward to working with you this legislative session and let me thank you in advance for your contribution to my campaign. If I can ever be of assistance or discuss any issue of importance with you, please do not hesitate to call.

With kindest regards, I remain,

Sincerely,

Ronald N. Fleming  
Assistant Majority Leader  
South Carolina House of Representatives
