Dear Friend:

This year reapportionment will force a number of legislators, including myself, to run for reelection for the 1998 session, and as always, competition will be tough. I am writing to ask for your financial support in helping me to continue my service to the people of South Carolina and House District 101 in Williamsburg County.

It has been my pleasure to represent the people of House District 101 and the state of South Carolina since 1991. During that time I have seized every opportunity to make a positive difference to my community and the state of South Carolina. I now serve on the House Ways and Means Committee, Economic Development Environmental and Natural Resources Subcommittee, and Public Service Screening Committee. I think the records will show that I have a pro-business and community voting record.

I am, therefore requesting your support as I prepare to mount a successful bid to continue serving you in the South Carolina House of Representatives.

Please make contributions payable to:

With Kind Regards,

Kenneth Kennedy
