Dear Mr. Murray:

In the next few weeks it will be time for members of the South Carolina House of Representatives to file for re-election. It has been my privilege to serve the people of my district and all South Carolinians. I plan to offer for re-election to House District 7 voters and wanted to inform you of my intentions.

As Chairman of the Education and Public Works Committee, I have supported legislation that would improve the educational opportunities for all South Carolina students. During my service in the House, I have sponsored bills aimed at helping teachers be better prepared for their profession and bills that have raised the academic standards for students. Being a pro-business advocate, I am a strong supporter of the Tech Prep curriculum in high schools and the Technical Education System.

Running for public office is not only time consuming but expensive. I would appreciate any help you can give me toward my re-election efforts. Should you be able to contribute financially to my campaign, please make checks payable to TOWNSEND FOR SC HOUSE, and mail to 2332 Wright School Road, Anderson, SC 29621

Thank you in advance for your consideration and support. If there are any issues you would like to discuss with me, please call me at (864) 296-2797 and I will be glad to discuss them with you.

Sincerely,

Ronald P. Townsend
