Ed,

I have received invoices from the S.C. Chamber of Commerce to sponsor their three area Membership & Legislative Receptions. According to Gifts, PM sponsored all three for either 1999 or 2000 (the check was paid in November of 1999, but didn't indicate the year of the event). Do you recommend sponsorship for this year and is this part of the TBN Events that you budgeted money for?

Also, and John you may need to answer this...Should these invoices go to PAN, or are we responsible for them?

Please let me know ASAP. I've missed the registration deadline for two of them and the third is due tomorrow. None of the receptions have occurred yet.

Thanks guys...I'm just trying to paddle enough to keep the tip of my nose "outta the water", I really don't know what I'm doing other than that!
